OPTIONAL WRITING SAMPLE

In the instructions for The Common Application, students are required to submit only one writing sample. If you submitted only one sample, you are encouraged to respond to one of the following prompts. The Admissions Committee is interested both in your ideas and in how you express them and will read your writing with regard to both content and style. Clearly type or print your response on a separate sheet of paper and attach it to this form. Include your name and social security number on any attached sheets.

- a) Reinvent your high school. What is essential? What would you change?
- b) Although it may appear to the contrary, we do know that people have a life beyond what they do to get into college. Tell us about an experience you've had outside of your formal classroom and extracurricular activities that was just plain fun.

OPTIONAL INFORMATION

We encourage students with special talent or interest related to athletics, the arts, and/or the sciences to submit supplementary materials. These materials are evaluated by faculty in the appropriate department and may have a positive impact upon your candidacy. Please clearly label any submission with your name and, if applicable, your social security number. Students submitting athletic information may also wish to contact coaching staff directly at (909) 621-8016. If you are planning to submit materials of this nature, please check the appropriate box below. **Please use the Pomona College Arts, Athletics, or Science supplement cards available in the Pomona application and online.**
